
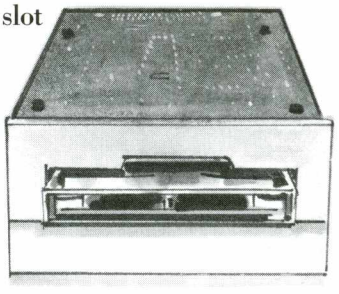
Fill in the blank.

PROOF

Add a PS/2 Internal Tape Backup Unit to protect you and your data from the unthinkable.



When you buy a PS/2®, fill in the blank "B" slot with an IBM PS/2 Internal Tape Backup Unit and you won't have to worry about crashes, power surges, or losing important data. Made to the same exacting standards as your PS/2, the PS/2 Internal Tape Backup works with easy-to-use, menu-driven software that makes it easy to back up all your files.

The PS/2 Internal Tape Backup is easy to install and can hold up to 80Mb of information at a time, so you can back up even the biggest jobs. And because it runs at 2Mb per minute, you can start it, go out to lunch, come back, and your work is done. It's that fast. That easy. That accurate.

To find out more about how putting an IBM Internal Tape Backup on your PS/2 can protect you and your data, see your IBM Authorized Dealer or your IBM marketing representative. To find the dealer nearest you, call 1 800 IBM-2468, ext 127.
